

Lesson 9

Review lesson: colors, fruit and counting

General:

Level:	1 – BEAR CUBS (ages 3-5)
Time:	40 mins - 1 hour
Objectives:	Review and practice the language and skills from the colors, fruit and counting lessons.
Structures:	"What color / fruit is it?", "How many are there?", "What fruit do you like?", "I like ...", "How are you?", "I'm fine, thank you".
New vocab:	none.
Review vocab:	red, blue, green, purple, yellow, pink, orange, apple, banana, grapes, orange, melon, pineapple, lemon, strawberry, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10.

You will need to download:

Flashcards:	apple, banana, grapes, orange, melon, pineapple, lemon, strawberry
Printables:	<ul style="list-style-type: none"> • Reader worksheet – Numbers 1-10 • Colors, fruit and counting – review worksheet
Songs:	<ul style="list-style-type: none"> • Hello Song • Goodbye Song • The rainbow song • What fruit do you like? song • The numbers song
Readers:	<ul style="list-style-type: none"> • What color am I? • Fruit salad • Numbers 1-10

These can be downloaded at <https://www.eslkidstuff.com/esl-kids-lesson-plans.html>

You will also need:

- name tags for each student
- a glove puppet
- 7 sheets of origami colored paper (red, green, blue, purple, yellow, pink, orange)
- plastic fruit (in a small box)
- cushions (1 per student)
- CD / Tape player or something to play the song on

Notes:

In this lesson, students learn to respond to the question, "How are you?". They also review the past 8 lessons - they sing all the songs they have learned, read all the stories (and a new one!), do review activities and take a quiz to check their progress.

Lesson overview:

Warm up and maintenance:

1. Greetings
2. Name tags (tracing names on tags)
3. Glove puppet greetings (answering "I'm fine, thank you" to "How are you?")
4. Sing "The Hello Song"
5. Homework check
6. Do "Exercise routine" activity
7. Sing "The numbers song"

Review and practice:

1. Review colors: red, blue, green, purple, yellow, pink, orange
2. Play "Color touch" and Play "Color hold up"
3. Sing "The Rainbow Song"
4. Read classroom reader "What color am I?"
5. 5-minute play time
6. Play the "Fruit wall touch" game
7. Sing the "What fruit do you like?" song
8. Read classroom reader "Fruit salad"
9. Do review quiz 1: Colors and fruit
10. Play "Fruit treasure hunt"
11. Play "Classroom touch"
12. Read classroom reader "Numbers 1-10"
13. Do review quiz 2: Counting to 10

Wrap up:

1. Assign homework: " Review colors, fruit and counting"
2. Say goodbye to glove puppet
3. Sing "The Goodbye Song"
4. Do "Quick check" and say goodbye

Lesson procedure:

Warm up and maintenance:

1. Greetings

Greet the students by name as they enter the classroom and gesture for them to sit down (on cushions if you have them) in a fan-shape around you.

2. Name tags

Before It's now time for your students to start writing their own name tags! Over the past 8 lessons they have been practicing tracing their names, so they are now ready.

Before class, prepare some name tags (stickers or pin-on tags) with each student's name written in dots or dashes in lower case letters. Sit down with your students and lay out the name tags in front of you. Pick up each tag and encourage the student to recognize his/her name. Do this for everyone.

Finally, have everyone take out a crayon or pencil and trace their name on their tags and stick them on.

3. Glove puppet greetings

Bring out your glove puppet bag and have everyone shout "Hello!" into the bag until he wakes up and jumps out of the bag. Next the puppet has a chat with each student ...

Puppet: Hello", What's your name?"

Student: My name is..."

At this point introduce these new phrases by demonstrating:

Puppet: "How are you?"

Teacher: "I'm fine, thank you".

Students should be familiar with these structures as they sing them in The Hello Song. Have the puppet ask each student how they are.

Finally, go around saying "Goodbye" and "See you" before going back into the bag to sleep.

4. Sing "The Hello Song"

Sit in a circle and sing the song (clap along or pat knees). As you sing, emphasize the phrases, "How are you today?" and "I'm fine thank you" to reinforce learning from the last step.

Lyrics for "The Hello Song"	Gestures for "The Hello Song"
<p>Hello, hello, How are you today? Hello, hello, How are you today?</p> <p>I'm fine, thank you, I'm fine, thank you, I'm fine, thank you, And how about you?</p> <p>Hello, hello, How are you today? I'm fine, thank you, And how about you?</p>	<p>These are quite straight forward. First time you play the song do the gestures and encourage everyone to do them with you.</p> <ul style="list-style-type: none"> • Wave as you sing the "Hello, hello" parts. • Gesture to others as you sing "How are you today?" • Point to yourself as you sing "I'm fine, thank you" • Hand gesture towards another student as you sing "And how about you?". 

5. Homework check

Check each student's homework that you set in the last lesson. Ask each student some questions about their homework worksheet (e.g. "What fruit is this?", "What color is it?"), give lots of praise, and then put some kind of mark on the homework sheet (e.g. a sticker, a stamp or draw a smiley face).

Finally, tell your students to put their homework back into their bags.

6. Do "Exercise routine" activity

Say the following and have the students follow your lead:

"Stand up (T stands and so does everyone else)

"Hands up / hands down" (do 4 or 5 times)

"Jump" (4 or 5 times)

"Kick (4 or 5 times)
 "Run! / Stop!" (4 or 5 times)
 "Turn around! / Stop!" (4 or 5 times)
 "Wiggle!" (a few seconds)
 finally "Sit down".

7. Sing "The numbers song"

Continue exercising with this song! Get everyone to stand up and march along and do the actions. Make sure you do the actions with the kids so that they can follow you and copy what you are doing.

Lyrics for "The numbers song"

1 – 2 – 3 – 4 – 5 Jump!
 6 – 7 – 8 – 9 – 10 Jump!
 Turn around and clap your hands
 And jump!

1 – 2 – 3 – 4 – 5 Kick!
 6 – 7 – 8 – 9 – 10 Kick!
 Turn around and clap your hands
 And kick!

1 – 2 – 3 – 4 – 5 Wiggle!
 6 – 7 – 8 – 9 – 10 Wiggle!
 Turn around and clap your hands
 And wiggle!

1 – 2 – 3 – 4 – 5 Jump!
 6 – 7 – 8 – 9 – 10 Kick!
 Turn around and clap your hands
 And Jump!
 Kick!
 Wiggle!
 And Jump!

Gestures for "The numbers song"

First time you play the song do the gestures and encourage everyone to do them with you.

- As the music is in a marching-style, start off with everyone marching enthusiastically on the spot to the rhythm.
- Whilst marching, count off the numbers on your fingers as the numbers are sung.
- Do each action word (e.g. jump, turn around, clap your hands, etc.) at the point they are sung in the song.

Review and practice:

1. Review colors: red, blue, green, purple, yellow, pink, orange

Use the colored origami paper / paper / card from the previous lesson.

Sit everyone in a circle and hold up the first colored paper and elicit the color (e.g. red). Chorus and practice saying the color. Do this for the rest of the colors.

2. Play "Color touch" and "Color hold up"

Play "Color touch": Next, lay the 7 colors in the middle of the circle. Say "Hands up". Students raise their hands. Then say "Touch....red!" and the students should all try and touch the red colored paper. Do for all of the colors.

Play "Color hold up": Finally, give each student one of the colored papers. Say "Hold up....blue!" - the students holding the blue papers raise them into the air.

3. Sing "The Rainbow Song"

Give out all 7 colors (e.g. colored paper, pencils, etc.) to each student. Get each student to lay out the colors in front of him/her, in the order of the song. As you play the song again, have all students touch each color and sing along.

Lyrics for "The Rainbow Song"	Gestures for "The Rainbow Song"
<p>Verse 1: Red and yellow and pink and green, Purple and orange and blue. I can sing a rainbow, Sing a rainbow, Sing a rainbow too.</p> <p>Verse 2: Red apples and yellow sun, Pink flowers in the green grass. Purple grapes and orange carrots, A rainbow high in the blue sky.</p> <p>Verse 3:</p>	<p>There are a number of activities you can do as you sing along to the song:</p> <ul style="list-style-type: none"> • Simply pat your knees or clap in time with the music as you sing the song. • Give each student a print out of the Rainbow Song song poster. As they sing along they touch each color or picture. • Give out the 7 colors to students (colored paper, origami paper, colored blocks, colored pencils – anything will do) and have students touch the colors in time with the song. • Put colored paper up around the walls of the classroom. Have all of your students point to each

Red and yellow and pink and green,
Purple and orange and blue.
I can sing a rainbow,
Sing a rainbow,
Sing a rainbow too.

color as it is sung.

4. Read classroom reader "What Color Am I?"

Before class, download and print off the reader "What Color Am I?" from our website. As you go through each page, point to the pictures and let your students shout out what color it should be:

Teacher: What is this? (pointing at the black and white apple on page 1)

Students: It's an apple!

Teacher: Yes, that's right! (reading from the story) "I am an apple. What color am I?"

Students: Red!

Teacher: Let's check ... (turning the page) ... Right! Good job! (reading from the story) ... "I am red". Can you point to something red in the classroom?

Students: (pointing to red things in the classroom)

Teacher: Yes, that's right! Red (books) and a red (T-shirt) ... (goes through all the red things students are point at).

Get the students really involved in the story by asking lots of questions (e.g. eliciting the objects and their colors) and getting everyone to point to colors in the classroom.

Alternatively, watch our video version of the reader on our website.

5. 5-minute play time

This is an optional segment that can be part of all your lessons at this level. Allow your students to play with any games or toys you have. If possible, use large tubs or boxes to hold the toys and bring them out for a few minutes each lesson. Tubs filled with animals, plastic fruit, building blocks, kitchen sets, plastic food, cars & vehicles, Mr. Potato Head dolls and so on.

Encourage your students to ask you for the toy they want to play with, circulate during the play time and ask students about their toys.

It's also a good opportunity for a quick rest room break!

6. Play the "Fruit wall touch" game

Before class print off pictures of the 8 fruit onto A4 paper. Hold up each picture, elicit the fruit and walk around the room taping them to the walls (at a height that your students can reach).

Now model the game: Say "What fruit do I like?" and then run around the room touching each fruit that you like saying "I like ~" as you touch each fruit. Next get all your students to stand up and say to them "What fruit do you like?".

Allow them to run around the room touching fruit (encourage them to say "I like~" as they touch).

7. Sing the "What fruit do you like?" song

Have everyone stand up and sing along, pointing to the fruit pictures on the walls as they are sung.

Lyrics for "What fruit do you like?"

Verse 1:

What fruit do you like? What fruit do you like?

I like apples, bananas, oranges, grapes,
I like them very much.

I like apples, bananas, oranges, grapes,
I like them very much.

Verse 2:

What fruit do you like to eat? What fruit do you like to eat?

I like melons, pineapples, lemons, strawberries,
I like them very much.

Gestures for "What fruit do you like?"

There are no specific gestures for this song. You can have the kids clap along and pat their knees as they sing. Also, have them point to the fruit pictures on the classroom walls as they sing each fruit (see point 6 above).

I like melons, pineapples, lemons, strawberries, I like them very much.	
--	--

8. Read classroom reader "Fruit salad"

Let's have another read of this story again – young kids love to read fun stories over and over. As you go through each page, point to the pictures and let your students shout out what fruit they see, for example:

Teacher: What fruit is this? (pointing at the green apple on page 3)

Students: It's an apple!

Teacher: Yes, that's right! And what color is it?

Students: Green!

Teacher: Right! Good job! (reading from the story) ... "Along came an apple ...".

Get the students really involved in the story by asking lots of questions (e.g. eliciting the fruit and their colors) and try to get everyone to shout out the phrase "They pushed and they heaved. But it was too heavy!".

Alternatively, watch our video version of the reader on our website.

9. Do review quiz 1: Colors and fruit

Get everyone sitting in a circle on the floor. In the middle of the circle put all 7 colored pieces of paper and 8 fruit flashcards. Tell everyone to close their eyes. Take away a color or a fruit say, "Open your eyes". Ask, "What's missing?" and point to the space where the missing one was. The student who shouts out the correct answer first wins and can take away a color/fruit in the next round.

10. Play "Fruit treasure hunt"

Next, we'll practice counting fruit. Before class, hide all your plastic fruit around the classroom – use as many pieces as you can. If you don't have any you can use flashcards or cut out pictures. Hide them in places difficult to see (in drawers, on shelves behind books, etc.)

At this point in the lesson, model the activity by looking around the classroom, as if searching for something important. Then find one of your fruit and excitedly shout out "Found one!". Then explain that there is more hidden fruit that needs to be found. Set everyone off on their treasure hunt to find all the hidden fruit.

You could also give out little baskets or boxes to collect them in.

Once all the fruit has been found, sit everyone down with their fruit laid out in front of them.

Ask each student in turn:

1. What fruit they found
2. How many of each fruit they found
3. How many fruit in total they found

Encourage everyone to count when they give their answers.

Finally, have each student in turn come up and put the fruit into your container, counting each piece as they put them in.

11. Play "Classroom Touch"

Get everyone to stand up and then the teacher shouts out classroom objects for the kids to run to and touch (e.g. T: "Everyone touch three tables!", "Everyone touch five books!"). Possible classroom objects to touch: tables, chairs, cushions, pencils, crayons, books, windows, shoes, etc. A good idea is to prepare some pictures of items (e.g. 3 apples, 3 superheroes, 3 monster faces, etc.) and stick them on the walls before class. Then the students can run and touch these as well.

12. Read classroom reader "Numbers 1-10"

Before class, download and print off the reader "Numbers 1-10" from our website. It's a really funny rhyming story which your students will enjoy. As you go through each page, point to the pictures and elicit the different animals and what they are doing, as well as counting how many there are:

Teacher: (pointing to the picture of the snakes on page 16) What animals are these?

Students: Snakes!

Teacher: Yes, that's right! How many snakes are there? Let's count together.

Students: (all together as teacher points to each snake): 1,2,3,4,5,6,7,8.

Teacher: Good! And what colors are the snakes?

Students: Green, yellow, red ... etc.

Teacher: That's right! (Reading) "8 long snakes ... (turns to the next page) ... what are these?

Students: Cakes!

Teacher: Yes! Birthday cakes! "8 long snakes baking birthday cakes!"

Get the students really involved in the story by asking lots of questions such as what colors the animals are and the funny things they are doing.

After reading the story, give out a reader worksheet to each student and read through the story one more time (without stopping for questions, etc.) as students trace the numbers. Get everyone to say the numbers as they trace them.

13. Do review quiz 2: Counting to 10

Before class prepare 10 objects (e.g. cars, blocks, plastic animals, etc.). Get everyone sitting in a circle on the floor. Tell everyone to close their eyes. Put 4 of the objects in the middle of the circle and say, "Open your eyes". Then ask, "How many are there?". Encourage everyone to count and shout out the answer. Continue doing the numbers randomly until you have done all of the numbers 1-10.

Wrap up:

1. Assign homework: "Colors, fruit and counting - review"

Hold up the homework worksheet and model coloring in the fruit and counting them. Give out the worksheets and say, "Put your homework in your bags" and help them to do so - this is important as they will probably want to start coloring them right away.

2. Say goodbye to glove puppet

Take out the bag again and get everyone to wake up the glove puppet by shouting its name into the bag (e.g. "Cookie Monster!"). Bring out the puppet and go through the same routine - go to each student and say hello, ask their name and then say goodbye / see you.

Then put the puppet back in the bag (back to sleep).

3. Sing "The Goodbye Song"

Sit together in a circle and sing and clap along.

Lyrics for "The Goodbye Song"

Goodbye, goodbye,

Gestures for "The Goodbye Song"

The first time you play the song do the gestures and encourage everyone to do

See you again.
Goodbye, goodbye,
See you again.

It's time to go,
It's time to go,
It's time to go,
See you next time.

Goodbye, goodbye,
See you again.
It's time to go,
See you next time.

them with you.

- Wave as you sing the "Goodbye, goodbye" parts.
- Hold your hand above your eyes (as you would when you are looking into the distance and keeping the sun out of your eyes) and look at another student as you sing "See you again".
- Tap watch (or imaginary watch) and then point to the door as you sing "It's time to go".
- Point towards another student as you sing "See you next time".

4. Do "Quick check" and say goodbye

Time to leave the class. Make sure everything is put away and the students have gathered their belongings. Have them line up at the door and place yourself between the door and the students. For each student hold up the number's reader worksheet from today's lesson and ask them to count some animals. When they count correctly say goodbye and let them leave. If they make a mistake, have them go back to the end of the line - they will have to try again once they reach the front!
